

VCF Community Fund – Special and Urgent Needs Cover Page

In the Special and Urgent Needs grants program, the VCF aims to quickly meet urgent and unanticipated short-term needs, in which a relatively small amount of funding can help an organization through a significant leadership transition, develop a new piece of infrastructure, or provide a bridge between unanticipated short-term gaps in funding. Grants will be made up to \$5,000.

Special and Urgent Needs grants have no deadline. You may apply anytime.
