

**Listing of Current Membership  
October 1, 2017**

The members of the Vermont Community Foundation are called upon annually to elect the directors of the Board of Trustees and are asked occasionally to provide input, feedback, or guidance on the Foundation's activities. As they are drawn from around the state, they help ensure that the Foundation's governance structure includes the rich diversity of thought in the state. Additionally, the ability of members to introduce and connect their own communities to the Foundation has the potential to strengthen, grow, and shape the organization as a whole.
