

Northeast Kingdom Fund (2022)

Vermont Community Foundation

Guidelines

The Northeast Kingdom Fund is interested in supporting opportunities in which a modest grant can leverage a new idea or other grant dollars, or make possible a project or idea that will benefit the people and communities in the Northeast Kingdom. In general, the fund is not able to support capital campaigns, normal operating expenses, or deficit funding. Applicants must demonstrate that the beneficiaries of a grant from the Northeast Kingdom Fund will be the people and communities of the Northeast Kingdom.

The Northeast Kingdom Fund review committee, made up of residents from the Kingdom, will make funding recommendations to the Foundation.

The Northeast Kingdom Fund funds grants up to \$5,000.

2022 Guidance for Proposals

2022 grant funding will prioritize applications from projects and/or organizations that are based in the Northeast Kingdom and provide services directly to the community. We are looking to support projects that have emerged from the local community and/or projects that are in direct response to community need.

Although we recognize that many organizations are feeling the strain of lost revenue associated with the pandemic, the Fund will not consider applications for general operating support for the purpose of supplanting lost revenue.
